If you are a Critical Worker and need a space at the Academy, please send details of the days needed and your job to [jcainfo@clf.uk](mailto:jcainfo@clf.uk).

Please note, students attending JCA need to bring packed lunch. The canteen is not yet open.

**Year 10 returning parents have been written to regarding plans for Year 10.** Year 10 parents will have also been contacted at the end of last week by their child's assigned Academic Mentor to arrange a face-to-face or virtual appointment.

Remote Home Learning, via Show My Homework, will continue to be set for all year groups.

I would like to take this opportunity to thank you for your patience and continued support at this time. If you have any queries or questions, please do not hesitate to contact me on the academy email address [jcainfo@clf.uk](mailto:jcainfo@clf.uk). Or, you can phone the school between the hours of 9am and 3pm on 0117 976 3000.

*A Message from Linda Tanner – Chair of John Cabot Academy Council*

Dear families,

On behalf of the Academy Council, I'd like to thank all parents and carers for your brilliant response during the past three months. Everyone has had to adapt to a completely new way of life, including for the majority of families a switch to home learning. The way you have supported your children and provided helpful feedback to the school to enable staff to adapt the expectations and provision of online lessons and resources is very much appreciated.

We are also grateful to those who have taken the time to recognise the exceptional efforts that staff and leaders at the academy and the wider Cabot Learning Federation have made in keeping classes going for critical and keyworker children, setting up and running a virtual school, and ensuring families in need have food and resources - all while looking after their own children and elderly relatives.

It is great to be welcoming back Year 10 students to mentoring sessions this week and to live lessons next week for a core group at JCA and for others online. We hope as many students at possible will take up invitations to come into school, where all appropriate adjustments and protective measures will be observed. However, we acknowledge that some families will not yet feel confident to send students back and are happy that the academy has suitable virtual arrangements for them.

We know the staff can't wait for the time when more students can return and we suspect students are missing their teachers too (even if some might not admit it!). We look forward to further relaxation of restrictions when it is safe to do so.

Meanwhile, thanks again - and best wishes for the rest of this term.

Linda Tanner  
JCA Academy Council chair

*Year 10 Options Update 12/06/2020*

Year 10 GCSE Options allocations have now been emailed to parents. Please check your inbox and spam folder thoroughly.

*Year 9 Duke of Edinburgh Update 12/06/2020*

After recent conversations with DofE regarding the options for our current Year 9 cohort we now have two options for our students. Students can either:

- Continue with their DofE award as normal, completing their physical, skill and volunteering sections and will aim for expedition in the summer of 2021.
- Complete only the physical, skill and volunteering sections (forfeiting the expedition)

and receive a DofE Certificate of Achievement.

If your child is wishing to opt out of the expeditions please can you email [JCAinfo@clf.uk](mailto:JCAinfo@clf.uk) FAO Lucy Cannon.

### *PSHE: Black Lives Matter & The Death of George Floyd*

On May 25, 2020, George Floyd, a Black man, died in Minneapolis, Minnesota after Derek Chauvin, a white officer with the Minneapolis Police Department, knelt on Floyd's neck for 8 minutes and 46 seconds while Floyd was handcuffed face down on the ground, begging for his life.

None of us have been able to escape the horrifying footage of the murder of this unarmed Black man. Across the United States and the world, including here in the United Kingdom, there have been 8 days of ongoing intense grief and protesting.

If this were a single event, it would shake all of us to the core; but this was the latest in a string of killings in the US, of unarmed Black citizens, by white people.

All of us must vigorously speak up for those who are discriminated against because of the colour of their skin. The **#blacklivesmatter** movement is so crucially important and so powerful particularly when we all stand side-by-side. How can we expect the Black community to single-handedly solve a

- 1. Write to your MP** about #Blacklivesmatter. *Amnesty International* and other organisations have good templates for you to use.
- 2. Read books** by BAME authors (reading list below).
- 3. Support businesses** run by Black and ethnic minority (BAME) people.

problem that the black community did not create?

This term, the focus on #blacklivesmatter will be core to what we are delivering through our PSHE programme.

**I Fit the Description:** Please read the following blog post ([click here](#)) which explains, in incredibly raw and emotional detail, how it feels to be a Black man living in New York. The blog article is written by Steve Locke, a university professor who feared for his life when stopped by police for crime he was not involved with.

### *Update 12/06/2020: Refunds for Trips and Events*

Refund emails have now been sent to Parents/Carers concerned for all trips and events excluding the PGL Watersports Trip to France 2020.

We are continuing to communicate with the travel company in respect of the PGL Watersports Trip to France 2020 and hope to be able to provide an update regarding this particular trip soon. Communications are proving to be very slow as the travel company is extremely busy at this time. We will issue refund emails for this trip as soon as we are able to do so.

Please check your inbox for your refund email(s)\* - if you are due more than one refund for your child/children you will have received more than one refund email and will need to respond to each one separately via the link provided. Each refund has a Unique Refund Code that you will require when completing the form to claim your refund.

\*Please also check your SPAM/Junk Mailboxes as some Parents/Carers have reported that the email has gone there rather than to their Inbox.

Once you have completed your refund form(s) it will still take a little while for your refund to be processed so please bear with us - thank you for your patience and understanding.

When your refund has been processed by the Accounts Team, a confirmation email will be sent to you so that you will know to check your account.

The Academy Finance Assistant is contacting Parents/Carers that have not not responded to check if any assistance is required with this process.

In the meantime, if you have any queries regarding this process, require any assistance or would like your refund email to be resent, please email [JCAREfunds@clf.uk](mailto:JCAREfunds@clf.uk).

### *Latest News from the Ministry of Fun*

#### *What is the Ministry of Fun?*

We have started the Ministry of Fun in the JCA Virtual world! The idea is to set a few competitions and to get parents and students to join together to win prizes. Below, we have posted the rules of the competitions. This is to create a bit of fun and to enrich JCA's community spirit. Students have been working very hard at their studies at home, and we all appreciate this, so now is the time to celebrate it.

On Friday please **send your best work to [jcafun@clf.uk](mailto:jcafun@clf.uk)**. Teachers will then send me the best

piece of work for that week to me, ready for judging. There will be 1st, 2nd and 3rd places each week. Students will be able to redeem prizes on return to the school.

Types of activities: Cooking, Quizzes, Activities, Art and so on.

What do you have to lose? **Send your entries in to [jcafun@clf.uk](mailto:jcafun@clf.uk)!** When you do, add your name, your year group and your teacher's name in the file (e.g. ie Joebloggs-yr7-hsmith).

We could be calling you! Get involved, have fun and stay safe.

### *Every Friday – Best In Show My Homework!*

To take part in this competition, you just need to keep doing what you're doing. We have decided to take the work you are doing for your teachers and turn it into a little competition. To enter you must upload or send your teacher the work set for that week.

- 1.) Upload your work to SMHW – email [jcafun@clf.uk](mailto:jcafun@clf.uk) by Friday each week.
- 2.) Your teacher will look through the entries and send the best for that week to the Ministry of Fun.
- 3.) Work will be looked at by a panel of judges over the weekend.
- 4.) Call to winners will be on Monday afternoon.

### **Prizes will be redeemed at JCA on your return to school.**

On Friday there will be a Cook-along competition and a quiz that the whole family can get involved in. What we would like you to do is to take a photo of the food you cooked (a suggested menu will be posted and created especially for us with demo video) and your quiz answers.

### *How to Access your Work from Home*

---

#### *Show My Homework*

Thank you to all parents/carers who have helped their children to access Show My Homework. If your child cannot log in, please try the following first:

#### **Part 1: Check Office 365 is working correctly**

1. Visit <http://office.com> and click “sign in”
2. Your child should log in using their email address: **firstname.lastname@jca.clf.uk**. (Please do not use @jca.cabot.ac.uk as this will not work – student email addresses all end in @jca.clf.uk now.)
3. They can then access emails from tutors by clicking on Outlook.

If this does not work, please email [JCAinfo@clf.uk](mailto:JCAinfo@clf.uk), let us know that you cannot sign into Office 365, and tell us what error message you received from Office.com.

If this does work, proceed to the next step (over the page).

#### **Part 2: Then check that Show My Homework is working correctly**

1. Visit <http://satchelone.com/login> and click the “Sign in with Office 365” button.
2. Your child should then sign in using the Office 365 login details you used above.
3. Your child will then be able to access work assigned to them.

If this does not work, please email [JCAinfo@clf.uk](mailto:JCAinfo@clf.uk), tell us what has happened, and let us know 1) whether your child can log into Office 365, and 2) what you have tried, any error messages you have received.

As a rule of thumb, the more information you give us, the faster it will be for us to correctly identify and resolve the problem.

#### *Seneca Learning*

Go to [www.senecalearning.com](http://www.senecalearning.com). Many children will already have accounts; if not, it is free and easy to sign up. Select ‘join class’ and enter the class code **64vasis1ys** in order to access quizzes.

As part of this commitment, tutors will send emails every Monday and Wednesday morning. This email will be sent to your child's email address.

Please remind your child to check their emails regularly, but particularly on Monday and Wednesday mornings. Please be patient when waiting for an email from the tutor. Please also make sure your child replies to any messages from their tutor.

If your child cannot access their emails, please try the following first:

1. Visit <http://office.com> and click “sign in”
2. Your child should log in using their email address: **firstname.lastname@jca.clf.uk**. (Please do not use @jca.cabot.ac.uk as this will not work – student email addresses all end in @jca.clf.uk now.)
3. They can then access emails from tutors by clicking on Outlook.

If this does not work, please email [JCAinfo@clf.uk](mailto:JCAinfo@clf.uk), let us know that your child cannot sign into Office 365 to check emails, and tell us what error message you received from Office.com.
